

OPEN CALL **FAVORITE FALL 2026**

Let's build something together.

Sept 21-27, Vienna Favoriten

**FAVORITE
FALL
FESTIVAL**

FAVORITE FALL is a decentralized festival connecting existing cultural initiatives, artists and venues across Vienna's 10th district. Instead of producing everything ourselves, we bring together what already exists and turn it into a shared festival moment.

We are looking for:

- existing or planned projects (music, performance, talks, exhibitions, workshops, etc.)
- that can take place during the festival week
- and are ready to be part of a larger network

Focus:

- public space interventions
- site-specific formats

What you get:

- visibility within a curated festival program
- new audiences
- connection to other artists & initiatives
- integration into the new digital cultural FAVORITEN-Map

Deadline: April 30, 2026
